Brenda. I know that you are extremely busy, but when you get a chance can you provide me with the FOIA number for the AP FOIA regarding the Arrow Pipeline LLC spill? I'm starting to draft an information request and would like to review the documents on FOIAonline relating to the spill that you reviewed in response to the FOIA request. Thanks,

Amy: One of the foia's I am working on involves the 3 affiliated Tribes. The spill was from (allegedly) Arrow Pipeline LLC, in July 2014 . The Foia requests in part deal with our Tribal policies.

The AP press has requested all communications between EPA and the 3 Affiliated Tribes; all communications with BIA re the spill; and guidelines for working on environmental incidents that take place on Tribal lands, including a clarification of EPA's authority and jurisdiction in such circumstances.

It is my understanding that if you have any of these documents, you should make pdf's and send them to me. Thanks, Brenda
